Set sail on the **brand-new Lagoon 43**, available for **charter in Croatia from Marina Kaštela in 2026**. Designed for a new generation of sailors, the Lagoon 43 combines cutting-edge innovation with Lagoon's timeless elegance and comfort.

Every detail has been crafted to enhance your time at sea — from its **spacious decks and panoramic salon** to the clever layout that maximizes privacy and natural light. The Lagoon 43 introduces a **new aft-cabin concept**, creating a seamless flow between interior and exterior spaces for unmatched connection with the sea.

Inside, enjoy a bright, welcoming atmosphere ideal for families or groups. Every cabin has been thoughtfully crafted to provide greater dimensions, featuring larger berths and enhanced comfort, ensuring boundless versatility for any voyage. In the owner's cabin, a forward berth of generous proportions is complemented by an ensuite head and aft shower, creating a private retreat reminiscent of much larger yachts.

Cleverly designed to minimize engine noise, this layout elevates onboard tranquility, offering a living experience without limits in comfort and sophistication. Each cabin has its own bathroom to ensure comfort and independence for every guest, while the **expansive cockpit and forward lounge** invite you to relax, dine, and soak in the Adriatic views.

Perfectly blending performance, comfort, and contemporary design, the **Lagoon 43** is your gateway to unforgettable cruising adventures along Croatia's **Dalmatian coast and islands**.

A man with long brown hair and sunglasses, wearing a light blue shirt, sits on the deck of a boat, looking out over the water towards a large, lush green island. He is holding a small cup in his hand. The boat's interior is visible in the foreground, with a blue cushion and a yellow pillow. The water is a vibrant turquoise color. The overall atmosphere is one of relaxation and travel.
