### **Mediterranean cuisine!**

In Europe it is hard to find a country in which, in such a small area, so much diversity exists as in Croatia. It unites the richness of Central European, Mediterranean and Eastern cuisine and is based on an extremely healthy food.

### **ACCORDING TO YOUR PREFERENCES!**

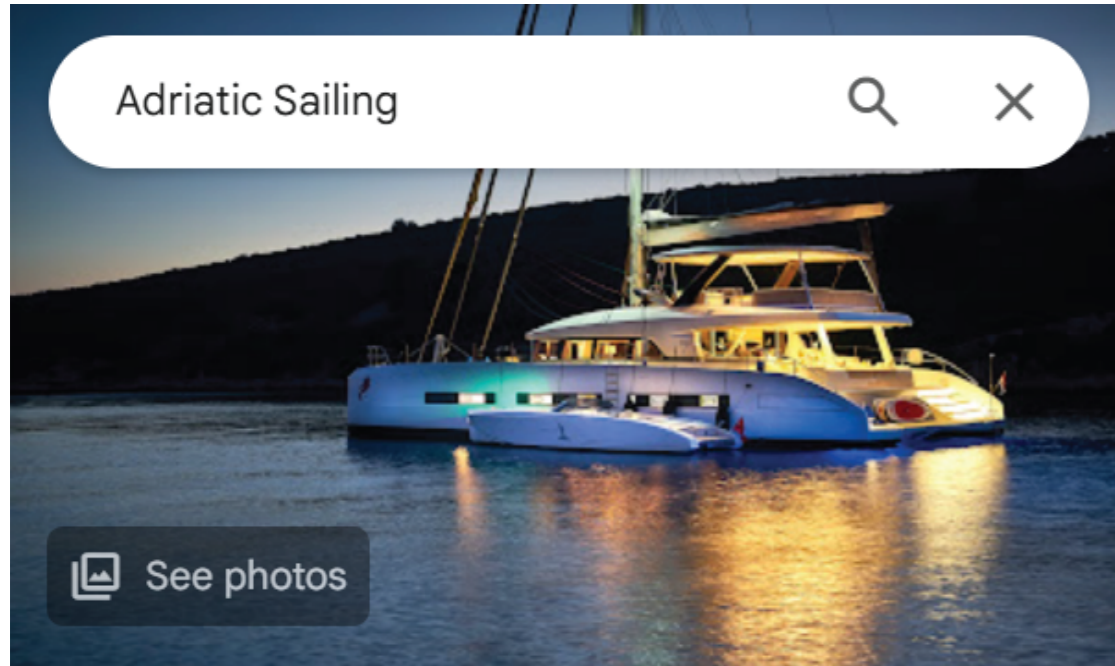

Several weeks before you board your yacht, we will ask you to complete a detailed questionnaire (Preference list) describing the food preferences and special needs of all the members of your party and your sporting or entertainment requests.

An amazing 7 day adventure with Captain Stjepan on The Adriatic Tiger. The crew was amazing. Our wonderful chef Ivan presented creative dishes using local ingredients and handled food intolerances with ease. Sara handled all the extra details with efficiency and a smile. Highly recommended for anyone looking for a great way to view some of Croatias beautiful islands.
