ABOUT

Experience the Adriatic in style aboard the brand-new Lagoon 51 “ELYSIUM”, now available for charter in Croatia in 2026. This latest Lagoon model has undergone an exclusive design upgrade, bringing a fresh, modern aesthetic and a completely reimagined forward living space to the beloved Lagoon range.

The new forward lounge area invites relaxation with expanded sun pads, safe sea access, and a convenient forward swim ladder—perfect for swimming and anchoring in Croatia’s crystal-clear bays.

Inside, Elysium offers a bright, open layout with multiple areas for socializing and unwinding. The catamaran features six cabins, including four double semi-island berths with generous storage and panoramic windows for stunning sea views. Each cabin includes an en-suite bathroom with a separate shower, while the midship cabins—ideal for children or solo travelers—share facilities with the forward cabins.

Need an extra hand on board? An additional berth is available for a private chef or crew member, offering complete flexibility for your charter experience.

From effortless sailing to luxurious comfort, Lagoon 51 ICONIC – ELYSIUM is the perfect combination of style, space, and adventure, designed for unforgettable cruising along the Adriatic coast and its enchanting islands.
