ABOUT

With over 30 years of innovation and more than 40 models crafted, the **PRESTIGE F-Line** holds a distinguished place in the world of yachting. The **F4.3** continues this legacy, combining refined design, comfort, and performance in perfect harmony.

Inspired by the movement of water, her sleek lines and large windows flood the interior with natural light, creating a soft and elegant atmosphere. Fine materials and exquisite finishes reflect PRESTIGE's renowned craftsmanship and attention to detail.

At 43 feet, **Mr. 77** offers exceptional space for relaxation and entertaining. The cockpit saloon, with its comfortable C-shaped seating and panoramic Adriatic view, invites shared moments and easy access to the sea via the hydraulic swim platform — perfect for diving, sunbathing, or simply listening to the waves.
